“ *It was so sad to hear of Lora's passing. I really regret not being able to make it to the visitation. It has been a great privilege and pleasure to be Lora's physician over these past years. She is one of the nicest people I have ever known. I know that she is with Jesus and while she will be missed in this world, she has entered into Eternal Life and eternal joy.*

“ *Our lives were forever changed for knowing Alene and Troy Franks. It's as if we won the lottery having both of them in our lives. They cared for my grandparent, Irene and Carl Helms and helped raise us kids Linda, Brad & myself. There isn't enough room to write in words what a blessing from God it was to have them in our lives. We will miss them both, but will NEVER forget the amazing memories created. Alene's strength, faith and character in the last few months of her life were amazingly strong and positive. I am so glad I was able to spend quality time with her before she passed. She is an angel and an inspiration to all that knew her.*

We're so glad we were able to attend the very beautiful service in her memory. Our sympathy, love, and prayers continue for her family. With love, Norma ~ and Reed*

“ Goodbye, dearest neighbor, Ailene! You were always so sweet to me and my family. You embraced us always with open arms and loving heart. You were good friends with my mom, Norma, right next door in Fortville. Latricia, I'm so sorry you've lost your Mom. I take comfort in knowing that Ailene is now with God, Troy, and Troy, Jr. I know you do, too. I wish I could be there today to say a final goodbye and hug you and Mike. “ We have lost a great lady. I will remember her great faith in her God and the love of family. I can still hear her as she calls to Troy, come on we have to go as Troy, Troy Jr., Mark, and Charlie played music in the garage. We have memories that will last forever.
