Loving mother, grandmother, great-grandmother, aunt and sister, Lori Jean Davis, 65, passed away March 19, 2020, in the loving arms of her niece, Candice Harrison, at Community Hospital of Anderson.

She was born May 28, 1954, to RJ and Charlene (Hudson) Walker in Pheonix, Arizona and moved to Anderson, Indiana as a child.

Lori dedicated her life to raising her children and her grandchildren and was blessed with many beautiful great grandchildren whom she adored and loved to tell anyone who would listen about those grand babies of hers.

She was a beautiful soul who loved her family unconditionally and was a bright, loving, sassy, funny person who touched the lives of those around her. Her sense of humor was one of her greatest qualities as even in the darkest of times, she would have the words to make you laugh and forget your troubles. She had a flare for beauty as it showed in the things she took pride in. Lori never met a stranger and was always there to lend a hand or words of encouragement to those around her. She was such a beautiful, sweet soul and will be very missed by those who loved her.

“ Lori was my grandmother who every summer had me and my brother Jansen at her house. Always made sure we had fun and shared memories everyday. She was an amazing grandma "nana" and I was heartbroken to find out through Facebook that she had passed on to a better place. Not one person in this family reached out to me to inform me of her passing. When she was first put in the hospital my brother took care of her and went to see her on a daily basis which is more than the other grandchildren listed in the obituary did. None of them wanted any part of lori and her illness. She called me on a regular basis over the last few months to talk. I cannot believe how this family is so quick to leave others out on this awful time. The only thing I can take away from this is that my amazing fun loving grandma is now in a better place away from all the awful people in this family and with the ones who actually love her. That is what I'll hold onto to get through this difficult time. -

“ Whomever wrote the obituary left off two grandchildren by the name of Jansen Wade and Jerika Wade. Lori, Lucy and RJ adored those kids and you should be ashamed.

I tried to get a hold of Jansen but I got no response..... There dad has known but want no part of it (typical crack head) so not my fault!

Cody Morrison - March 27, 2020 at 01:32 PM

Carla I'm not ashamed this was the first time that I done this but I wanted to show Jansen and Jerika respect first by contacting them and asking them if they wanted to be mentioned because I was not sure how they related to Jerry me and Jerika talked and I fixed it right then she asked me to give her the respect to tell her brother I've always showed you Carla respect for a long time I try to keep up with you guys the last you told me is you was getting married and then you never responded to me ever again and I was hurt but that never stopped me from loving you three there was no disrespect intended I think Jerika will explain I still love you all and wish you nothing but the very best
