“ My deepest and most heartfelt sympathy goes out to Lottie's family, and loved ones. She was one of the most kind, and caring souls I have ever known. Her great smile and kind words were always a blessing and a hug from her was more than enough to brighten ones day. She just had a natural, and honest way of making you feel special. She will truly be missed and forever loved by everyone who knew her.

“ I send my love and condolences to my cousin Wayne and to the grandchildren and great-grandchildren of my Aunt Lottie. I will always remember how gracious and loving she was when my husband John and I visited in 2012. She welcomed us into her home and answered questions and shared stories that took me back to childhood. She made me feel like a little girl again visiting Grandma's house. I am proud to be the niece of such a strong and faithful woman and will forever remember and be grateful for that 2012 visit. My heart goes out to all who knew and loved her.

“ I Loved my Aunt Lottie very much ! What I remember most was her laughter and her hugs and a big smile. She reminds me of my mother (her little sister Patricia) every time I looked at her.

She was a good sister to my mom she always be there to help my mom during difficult times from helping pick out best cuts of meats in Deli, or just being big sister helping her during difficult times. I know she in Heaven now probably smiling and laughing with all her family.

We will miss you Aunt Lottie!

Love your niece,

“ Miss Lottie was a beautiful person inside and out. Her and my granddaughter Mackenzie has such a special bond. She was like another Grandmother to her. I had to bring Mackenzie into the store every week so they could chat and see if Mackenzie was taller then Miss Lottie. Miss Lottie always requested a school and dance picture. She will be truly missed and will forever be in our hearts. Love you Miss Lottie. 💜
