“ Oh Lova, It has been awhile since I seen you at the library or out shopping and you don't know how much I could kick myself for not stopping by your house and chatting. We worked for Hook's so many years and had so much fun. I will miss you beautiful smile and the kindness you always showed me and Brian. You will be greatly missed. I will be thinking and praying for your family as they grieve for you but I know you are now their guarding angel. When I see pictures and your name please know that I will always smile.

“ Oh Lova, I will miss your smile and your laughter. You meant the world be me and your stopping by my birthday party makes that day so much more memorable. If only I'd known it would be the last time I would see you I would never have let you go, Thank you for being such a true friend all those years. Now I know I have another angel to watch over me. *Becky Gremes*

“ Mom 2 another lady that touched my heart so much. You will be missed but parts of you will always remain with me ..77 on the board will mean you are close. My deepest condolences go out to JC and Fred Lisha and Kendra and all the family. You will be met at the pearly gates by some awesome people hey they might even have Kenny figured out. Ma, Joy, Dave, and maybe just maybe you can meet my Mom. A wise person told me that when you get to heaven you get to bounce on clouds and slide down rainbow. Love you
