“ *You will be greatly missed by all of your family. Your time here on earth was entirely too short and I wish that we could have seen you grow into the wonderful man you were meant to be. I'm so sad that we will now have to miss seeing all of the great things that I know you would have done. Your smile was so beautiful and I can't wait to see that again some day in heaven. Until then sweet prince with much love, Aunt Des*
