“ Pat and family. I wanted to let you know that I was sorry to read about your Mom. She and my mother, Toots Tucker, were close friends. Mom spoke often of the things that they had done together in school and during their time here on earth. Lucy was a pillar to the community and those that knew her. I'm sure she will be missed by many. Sincerely Jeanne Robinson

“ Pat -- I'm sure you remember me Nita's daughter. I was just in Markleville a month ago for the big sale and actually parked in front of Lucy's house. Donna Kay and I thought about going to the door but didn't. At the time we discussed what Lucy's age would be. I knew she and Frank were older than my parents but didn't know for sure. I'm so sorry to hear of her passing, but know she lived a long productive life. Lucy was always such a sweet person. A fond memory, which we talked about at MCL the last time I saw her in person, was that I had nicknamed her "Witch Hazel" when I was a kid. She kidded me about it through the years when I would run into her and Mary V. I hope to see you at the funeral home with my mother if she is up to it. Please extend my sympathy to the family and I hope this finds you well. Love, Susie
