“ My many condolences to the Saucedo family members and to apology for my delay in getting this posted. I didn't find out till today. He was a very old friend of my late parents and brother, ie: Ruth E. & John R. Atwell, and Johnny R. Atwell. He was always there for us thru thick and thin, he will be sadly missed by the 'Bird & Young' family members too! My fondest memories is when he told me how he got my mom to the hospital in his falling apart old Jalopy so I could be born on 12/01/52 and when he bought my 1st prom dress when my mom was short of cash. He was the best of friends to us, but mom always said: He wasn't just an old friend, he was family.

“ Jane and Dick and all extended family members, I am very sorry and saddened to read of the loss of your dad. I only read of it today and wish I had been able to see you to tell you in person what a great and unique individual your dad was - always with a twinkle in his eye. But you know how wonderful he was all ready. Take care of each other and share the memories of good times past often. Love, Jeanne
