“ To our Harvey Family, We are sad that our fathers brother has gone to join our Dad, but they can laugh together now as they laughed together here on earth. The great smile that they shared, Uncle Bud was my only chance to see my Dad's face after he passed, they looked alot alike! We will miss Bud until we can join him in heaven! Praise God! I am sorry that I couldn't make it to the funeral to pay my respects.

“ *We are so sorry to hear of your loss. At this time, as we celebrate the birth of Christ, it is hard to lose a loved one. My dad died 12/12 so I really understand how difficult the holidays will be. But it is also a celebration of life and many wonderful memories of the past. Our thoughts and prayers are with you at this time.*

“ *I will miss granddad for so many reasons, but most of all because we shared something that most would not want and that is the loss of a child. He often would just look at me and tears would fill his eyes and I always knew that he understood me. Like no one else. RIP I will miss you.*
