“ Girls, I don't know if you'll get this but Mabel was like a 3rd grandmother to me. She and Gladys always made our visits to Anderson so much fun. It wasn't a visit without seeing them. Mabel and I kept up with Christmas cards until the past few years, and every time I was home I meant to see her. Just proves, don't think, do! I am thinking of your family and keeping you in my prayers. Much love, Ann Watson-Johnson
