“ I know its late but I just heard of this. Although I don't have a whole lot of memories of this amazing women I have a few. We were little and We would visit their house. My brother and me. She always had circus peanuts: I remember the house and yard perfectly. I remember playing with toys. I remember when my Mammaw moved away. I remember little things. I wish I would have known her better. I wish I knew this side of my family. RIP grandma. I love you.  
Forever, Miranda
