“ *I am honored to say that Maxine is my Grandma. It has been my pleasure to have her in my home the last 5 years, she thought she was a burden but she was so wrong on that one. I have learned so much from her and will miss her dearly. Her family was everything to her. She is now where she wants to be in her heavenly home. You RIP grandma and fly high with the angels. Love you forever and always!! Your granddaughter Donna*
