“ SIS. I thank God I had such a wonderful person like you as my friend. I'll miss the sunsets we shared, Walk slow I'll catch up. Sis, I Love You So! forever and always in my heart but you already knew that. I broke my promise not to cry, sorry couldn't help it you're my best friend and losing you has left me with a broken heart. Every sunset I'll think of you, when I gaze up at the stars I'll see you, every warm breeze I'll feel your hugs. Mare I love You and will truly miss you. You were always there when I needed you. I know you loved me too, I pray that I was as good as friend to you as you were to me. You were the friendliest person I have ever known. It was a privilege to know You and an honour to be your friend. I thank God I had the chance to tell you all of this while you were still with me. I will miss how you would make me laugh. SIS! I LOVE YOU AND WILL MISS YOU SO MUCH. Again, walk slow, I will catch up to you soon. Your friend and brother. ALAN and KATHY RUNYAN and FAMILY.

“ Although I did not know Mare personally, I was a frequent customer of hers at the FedEx store in Indianapolis. Mare always went above and beyond to ensure her customers had exactly what they needed; her dedication to her job and her obvious pride in her work was an inspiration to me every time I interacted with her. There are angels everywhere, sometimes in the least likely of places- she was definitely one of them and I will miss her.
