“ We were neighbors of Marcy and Dan and IvaMrs. Dick in the early fifties before we moved to California. They were very special to us. The last time we saw Marcella was probably on an Indiana visit at least 10 years ago. We named our Daughter after her. She was a wonderful person. I know she will be dearly missed by her family. We send our love and sympathy. Rena and Bert

“ Mrs. Quickel was my third grade teacher. She was young, attractive and full of life. A few years back I met her and Dan for lunch. She was still full of life!
