“ I enjoyed working with her, she was a good person. Even though I have not seen her in many years, I am very sad to hear she is no longer with us. I have made a donation to the listed organization, the National Pancreatic Cancer Foundation.

“ I met Marcia at a Decorative Painting Convention in Columbus Ohio. I looked forward to seeing the Anderson girls every year at HOOT. (Heart of Ohio Tole Painters) It just wont be the same without her. We would talk about painting and would enjoy showing what we had bought at the trade show. Last year we all had lunch together. Maybe 8 or 10 of us. I am so glad and grateful for all the friendships I made through Art. Marcia was always happy and upbeat. She was a wonderful person and I am so grateful for the time I spent with her. My prayers for her family and friends.

“ *Marcia always made me feel welcome and put a smile on my face. She lit up a room with her smile. Last time I saw her she was still so upbeat and positive. She made me feel like anything is possible. I will miss her terribly. Painting with the Dipdots will never be the same.*

I'm so happy I was able to meet and spend time with your mom. She was such a vibrant person with a glowing soul. She will be missed, but her memory will live on through every person she touched throughout her life. Rest in Peace.
