“ Susie, I was so sorry to hear about your Mother. I heard that she had been very ill, and had been living with you for some time. I know that this has been a very difficult time for you. Our Mother's all have such a special tie to us all. They never leave us, they were the one's that taught us, and brought us up to be the women we are today. They are in our hearts always. Please know that I am thinking of you. Unfortunately, I will be out of town on Saturday. I wish I could see you and be with you at this time. Annie, Debbie, and I always talk about how much fun we had during high school. Please know that we all still cherish that friendship. Thinking of you! Bonnie
