“ Dearest Jim and Family, It has been so long ago, in my childhood actually, but I do remember your mom. I spent a lot of time around your house and at the neighbors and even played with your dog, the Boxer. She kept a keen eye on us that day because she was so scared it would bite me. And I remember her being rather a quiet person with a lot of grace. So it is with a heavy heart I send my prayers and thoughts to be with you and your family. I lost my dad 5 yrs ago and my mother 14 yrs ago. I hope you have good memories to carry you on through your life. And that they give you the strength needed. You seem to have a large family now and I am sure they also brought her a great deal of happiness and that she has left a great legacy for them all to follow. I would attend her service but I am physically unable, so for now I'll be thinking of you and your family Sunday Love and hugs to you Susie Girt Behrens
