“ I'm sorry to hear about your loss. Although not all of the chapters in our life's stories are happy, I know that Margaret is now in the presence of the Author. He has written her into His own story, and I can only wait patiently until the day that I am also written into that great book of Everlasting Life. Thank you God, for people like Margaret and for the testimony of her life. Thank you for allowing her to be a part of our story.

“ We feel honored to have known Margaret, and been part of her extended family. She was a wonderful lady, and lived a full life. We are also glad that we were able to be with her in Florida this past month. She is in a wonderful place with her husband and your Dad. She is living in peace with the Lord. Love, Bill and Bonnie and family
