“ I am so very shocked and sorry to hear that my precious friend Margy has passed away. We were best of friends for so long, then somehow time got in the way. We had attempted to get together, as we all do, several times throughout the years, but again, things wouldn't seem to work out. I have so many happy, fun times to remember. We worked together, did many girls night out , shopped, danced at Elliott's in Anderson and even stayed together at one time. I am so heartbroken that Margy is gone and our chance to reunite has passed. Never let that happen. I hope and pray I see you again, Margy. I will miss you even more now. Love and prayers to Terry and all the family. God hold you tight in His arms.
