“ *Our deepest sympathy to all of Marie's family & friends. I recall when she was teaching us your family's favorite card game. She told us to get a pen & paper to write down the rules, etc. I knew I was being challenged, but she encouraged us with her laugh & big smile. She had more confidence in us than we did. Be assured of our prayful blessings. May God's love, peace & comfort be with you.*

“ To Marie's family: she often said how blessed she was to have such a wonderful family. She loved each of you and was so proud of your accomplishments. She was a devoted volunteer at the hospital visiting the sick, praying with them, and bringing Holy Communion to them. She spent time in prayer at the hospital chapel praying for all the patients and staff. She will be deeply missed and her memory will be a beautiful blessing!
