“ *Risa was the kindest person despite dealing with the challenges in her life. I don't ever remember her speaking a bad word about anyone. I worked with her at Concentrix where I was the receptionist. I also meet Darla there when she came to assist Risa. I was blessed to know Risa and am so sad for her passing, but I am thrilled to know she is now whole and free in the arms of Jesus. Until we see you again, Risa... <3*

“ *Marissa and I started at Sallie Mae together. We went thru training together and became associates and friends. Marissa shared some of her life with me and told me about her sons. I assisted Marissa by helping her in the breakroom which is where we had our many chats. Even though we went to different departments in Sallie Mae she was there if I needed help and I helped her also if she had questions. Marissa you will be missed but I know you went home to be with your Lord and Savior. He is also my Lord and Savior as well. Peace be with you and your family.*
