ME

“ Dear Nikki -- I wish to extend my deepest sympathy in the loss of your mother. I loved the picture in this morning's paper, as that is how I remember your mother -- very beautiful and vibrant. I hope your relationship with your mother throughout your life was full of love and pride and honor and may these memories sustain you in your loss. I cannot believe you are a grandmother because to me you are still that lovely little girl I babysat one summer so long ago. I wish you well and will be thinking of you as you try to cope through these difficult days ahead.
