“ *I am just now hearing of Mark's passing and my heart is sad to have lost a very dear friend. Mark and I spent many wonderful times together playing harp, and he accompanying me on the cello, both professionally and for fun. I will never forget all the beautiful moments and music that we made beginning with "Broadway Their Way" back in the early 80's at the Bearcreek original red barn theatre. From there it was friends forever. Play your harp now for the angels in heaven, Mark. With love...

“ I am sorry to hear about Mark's passing. I remember him as a fine musician back in the days when we were both participating in the Marion Easter Pageant. Funny thing, I thought about him the other day and his outstanding musical abilities and perfect pitch. Part of me will miss him and I will always remember that. Steve Hyman

“ We have lost not only a truly gifted musician, but a kind man. I remember how excited he was when he was able to get the harp as well as his connection with Gaither. He actually gave me a "mini lesson" on the harp. What a wonderful gift for me! I truly am greiving his death. Be assured that you and yours are in my thoughts and prayers.
