“ First of all my condolences to the Scott family. My name is Gloria. I am the girlfriend of son Mark. I have never personally met Mr Scott as I live in California. What I do know is what Mark has shared with me. I dont know a son that is more proud of his father as Mark is. The stories he has shared with me are nothing short of beautiful, amazing and what a strong warm hearted man he was. I saw honor in Mark's eyes when he spoke of him he honored him like no other. It is my loss that i never met this wonderful, father, husband and friend. I to know i would of admired you. Rest in peace Mr. Scott I honor you..🙏
