“ Marsha's visits to Lebanon were always full of laughter and joy . My dog "Ollie" just loved playing with "Holly" and I remember Marsha and I taking photos of Diana's/ Allison's dog Maggie- Macy April's dog ,Holly and Ollie having a "poodle convention". Marsha bravely fought cancer with a positive spirit and courage. May she live in the light of Jesus forever.

“ Marsha touched my families life by being a teacher to my 3 year old son at Park Place Children's Center years ago. She was a warm and loving caregiver that made me comfortable when I left my child each day. I will never forget her incredible smile and laugh. I know that she will be missed by her family and friends but she will be one special angel in heaven.

“ My Dear Friend Marsha, I write this with a heavy heart. Like so many others who were drawn to your courage and strength during this past year, I am deeply grieved by your death. No doubt about it Marsha, the past 12 months have been an adventure and unexpected journey. I, like many of your friends and family, had the honor to travel with you during this challenging time in your life. Now my friend, you must take the journey without us until we meet again. You have been granted "Eternal Life"....the reward of your strong faith in Our Lord Jesus Christ. Look down upon us Marsha and know that we cherish many fond memories and that you will live in our hearts forever. To your wonderful family: We who knew and loved Marsha have some idea of how great your loss truly is. The world has lost someone very, very special. Love, Vicki

“ Love & Prayes to all the Family & Friends. My thoughts are with you & let us know if there is anything we can do!Time has a way of rushing by so quickly & we lose contact with Dear Family. I never doubted that she would grow up to be that very speacial Lady, Wife, Daughter, Sister, Cousin & Friend!! Memories of us children playing at our Grandparent\'s house in WV & running all around the house & mostly hiding from parents means more to me than ever. My hope is for all to keep her close at heart. Sorry to not be able to attend the Services, but I am needed here for my sister, Bobbie. Family means to much to let more time go by without touching base with them!! Love & Prayers to all, Ronnie & Renee TaglienteArmstrong.

“ Marsha- Danny and I remember so many great times with you, especially playing volleyball, watching videos until 2:00 am and being one of our bridesmaids. I can\'t imagine the joy you experienced as you knelt before God. I know in my heart God took your face in his hands and whipered, "Well done, Marsha, well done." We will miss you so much, but know we will be with you again. Welcome home, Marsha. John 14:2-3 "In my Father\'s house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am."

“ Marsha, I am so glad that you came to the last family reunion over the July 4th weekend and that we got to sit and have a great conversation. I have many a memory of you as I was a youngster and you were a preteen. It took me several years to figure out that there was no "boogiemans" living in the basement in your early childhood home in Meadowbrook, but you had me going for quite sometime. I am happy to have that memory even if I was a candidate for therapy over it. I remember you coming over to my house after the birth of Robbie so you could see him and hold him. I know many people are sad that you have departed from us but yet it is a happy thought too in a way, because you are now with your daddy and with Grandma, Erin, Rod, Larry and many other friends and relatives and are feeling no pain, but it so hard sometimes for one to look at it that way. Just want you to know that we all still have the memories and that they will never be forgotten.
