“ *Marshall was my coach. And a huge reason on why I was able to become successful in my life and he showed me how to have a push and a huge drive to do anything we did at the highest level. He pushed me and guided me and trusted me always. Rest easy baby! I wont ever forget being on the mound pitching and thinking that I would not want to be coached by anyone else. Thanks for all your great advice and time that you gave myself and everyone around. - Rylan*

“ Marshall and I first met at Century Personnel where we both worked in 1986. We were both are eight years until I left. He even convinced management to hire me back once. He helped me through many struggles there. We stayed in touch with each other even through my purchasing my first Ram pickup from him five years ago. His heart was one of a kind. He would always do what he had to do to go out of his way to help. Cassie I wish I could've been at the visitation. I would've loved to have met you. He spoke very highly of you many times. Marshall, you will be greatly missed!

“ I had the pleasure of working for Marshall while he was with Dellen. Although I was just a vendor helping with the auto reconditioning he always treated me as a friend. He always greeted me with a smile and a handshake as if he was trying to rip my hand off. He was one of my favorite managers to work for. He will be missed. My heart and prayers go out to his family and all those that were blessed to know him.

“ Marshall was one the best humans I’ve ever known. He shaped me a lot while he was my boss at Dellen and always had my back. It takes a really special person to make so many people feel as loved and cared about as he did and my heart is broken for his family and everyone, like myself, who thought the world of him! My condolences to the Denney family and everyone close to him. We lost a very good man, way too soon.
