“ She was a very loving and wonderful sister, wish I could be there with the family, however I have a serious illness and can't travel. I remember her most as a little girl. When Martha got mad she would go outside and bang her head against the sidewalk until Mom made her stop and spanked her for doing it. Martha would go back outside and do it again. Love Betty

“ Memories Those we love remain with us.. In the whisper of the wind In a soft rain that falls from Heaven In each sunrise In every single star that lights the night sky and In every single memory we hold within our hearts. I remember as a little girl that Aunt Martha would make taffy and holding of it was one of favorite times I had at her house. I have treasured all the time we spend the best years with us here in Florida. I love you Aunt Martha and you will always be in Ron and my hearts.
