“ Martha did love to talk and share stories of their many trips. Tom, Martha and Gary traveled west for one of the big rodeo events. She got tickets for the rodeo but no hotel reservations. They spent the night on the ground in their tent in a mobile home park.

She also loved to eat and appreciated all of the food that family and friends brought her. Lunch took about an hour when I first started staying with her and near the end it was often two hours of conversation before nap time.

She was such a kind, considerate soul and I will miss her.

“ Martha was such a sweet, kind soul. She, Tom and Gary lived behind us and I used to stay with Gary during school breaks and fix his lunch while Martha and Tom were at work. Tom taught me to ski and Martha took me shopping in Indy and would let me drive home. I have such fond memories of my time with all of them. May they all rest in heavenly peace.
