“ *Mom, I love you so much, words will never do. I miss you every second of every hour, of everyday. You are the most beautiful person I have ever known, true through and through. Genuine, caring and kind are the first words that come to mind. Each day I wake without you, my heart aches a little more. I know you wouldn't want me to be sad, but what am I to do? I have lost my mother that shared her love in a way only you could do.*

“ *My heartfelt sympathies are with you. Marty was almost like a sister to my sisters and me. My fondest personal memory of her was that she was my prom date. I know she has suffered greatly as have all of you, her family. You all are in my prayers. Bless you. Don Abernathy*
