“ *Laura, Mary, David, Mary Edna, Ruth, and Jimmy Dale....I apologize for not making it up to see Mary before or after her death but have had situations beyond my control stopping me from doing so. There are really no magic words to stop the grief but knowing she is no longer suffering and is with your wonderful father should help make your coping a little easier. Your mother will never be gone because she will always live in your heart just like mine has and still does. Take care of yourselves and know I'm thinking of you.*

“ *Mary White, I am so sorry to hear about your mother but know she is in a much better place..no more suffering and feeling bad she now has a new body with no aches or pains and is with others that went before her. I will keep you and your children and others in your family in my thoughts and prayers. I don't know how it feels to lose a mother but recently lost my grandmother who I dearly loved and it has been heart-wrenching. The good Lord will give you strength and the courage to face every day. Your friend, Stefanie Clem Brenda Voiles youngest daughter*
