“ Mary had married my grandfather Robert Baker prior to me being born. I unfortunately only was around them both periodically as a child and adult because of my father and my grandpa having their own conflicts. However, I always loved Mary and my grandfather I just didn't know them add much as I would have liked to. For those related to Mary I have some unanswered questions I would like to know about my Grandpa Baker. I am also so sorry for your loss as Mary was always a true sweetheart to me. I always wanted to know them more but because of conflicts between Grandpa and my Dad I didn't get that chance. I didn't know until almost 6 months ago that Mary had passed on to Heaven. My prayers go out to her family. I just wish my dad and his brother and also myself would have been included in this obituary. I also would have liked to know of Mary's passing. If anyone reads this please email me at noelcbaker@yahoo.com.

“ Mary was like the hostess of Millers. With a flower in her beautiful hair, and a smile, she greeted me with sweetness each time I came to visit my mother, Thelma Mills, while she was in rehab therapy, and my uncle, Harvey Luttrull. I always looked forward to seeing her!!! I will miss her so much. May the Lord comfort her family and loved ones during this difficult time.what a sweetheart!
