“ Tom & family, Our thoughts and prayers are with you at this difficult time. So hard to believe it's been that long ago that your dad passed away. Have comfort knowing that he and your mother are reunited.

“ I just wanted to say to Carolyn's family, that as a nurse, taking care of your mother, sister, grandma, was one of the most enjoyable things I have done in my career. After four years, she was as close to me as any member of my family could be. I will miss her terribly and will think of her with a smile. We were always laughing together. I send my love to all of you.
