“ We were saddened to hear of Mary Alice's passing. She was so full of fun and a wonderful laugh. This picture truly represents what I remember of her personality.

We were first cousins, but lived over 100 miles apart, thus we didn't see her frequently.

That just made our meetings more special. We knew there would be laughter and fun when we did visit. Fortunate to get to celebrate her 90th birthday with her a couple of years ago at Penny's home.

Sending much love and prayers for the family. May you feel God's loving arms around you and remember the best of times with Mary Alice and with all the family.

Our love,

Jim and Valeria Wagner Thomas
