“ I want to send my condolences to all of Kathy's family. I was so disappointed that I couldn't go to the viewing on Fri bec. of the coronavirus funeral home restrictions.. I worked with Kathy at an ophthalmology office for 6 yrs., so I got to know Kathy very well. I will be eternally grateful to Kathy for trying to help me right up to the day I quit that job! Despite all the drama in that office, Kathy :& I got along extremely well - probably bec. we had a mutual respect for each other in both how we did our jobs & also in how we lived our lives. We both had one child, a daughter, & we both had 2 grandchildren, so we shared a special bond. I always enjoyed seeing Gracie & Evan when they came into the office & it did my heart good to see Kathy's face light up when she saw her family! I don't know if Gracie remembers this or not, but I told her that I named my new cat, Gracie, after her. I will also be grateful to Kathy for the hugs & comfort & compassion she showed me when I lost 2 of my best friends. God bless you Kathy & God bless your loved ones! Rest in peace, my friend. I am sending my sincerest & deepest sympathies to the family. Love, Deb O'Brien
