“ *My mother was a very independent person. She always made time for whoever would stop by her home no matter what she was doing. She loved each of her children equally, There was no favorite one or two. To her we were all the same. She was present when my father passed, Even though they were not married any longer. She still loved him as if they were. She once told me that he was her only true love. When my sister Debby Kerns passed mom was the first to let me know about it, Since I was at work at the time. In closing I would like for everyone to just take a few minutes out of their BUSY schedule and tell their mother and father how they feel about them. And let it come from your heart. Thank you for visiting Luther*
