“ So very sorry to hear of Mary Jane's passing. It brought back memories of times at the hospital when I was a rookie on nights and she was around whenever I needed her. Deepest condolences to her family and friends. You are in my prayers.

“ I was so sad to hear about Jane's passing it brought back all the memories the good as well the bad over all the years of our working together on the night shift at the hospital and all the stories that came with it. My hope is she went peacefully. Cindy Richardson

“ So sad to read of Mary Jane's passing. As I remember, she went to IU a year, while I was at ISU and then we were classmates at Union Hospital's School of Nursing. We were friends before that as her dad and my granddad worked together and we became acquainted. The last time I saw Mary Jane was here in Terre Haute at a class reunion. She was using crutches and accompanied by her daughter. This was probably around 2007. We all picked up our friendship like we hadn't been apart for years. Good memories. My thoughts and prayers are with her family. 🌹
