“ *My grandma helped raise me and my brother Austin and in some ways I can say I wouldn't know some of the stuff I do now if it was for her! She was an amazing mother, grandma and great grandma to my son I'm so glad my son was able to know her! Even tho she is not here on earth with us I know she is up in heaven watching over us now and not in pain no more! She was my rock and it's hard for me to know I can't go talk to her (about things I wouldn't talk to my mom about lol) but she always knew exactly what to say when I was sad or needed a loving touch! I will truly miss her til I meet her again but I will make sure she lives on thru memories and stories. And she will always be in my heart! I love you grandma and I will never forget everything u taught me and I'm gonna do everything I can to make you proud of me.*

“ To the Perdue Family: Please know you are in our thoughts and prayers. Today she received the checker flag and has entered into eternity with those who have gone before. There are many fond memories cruising the back roads of my mind and I cherish them all. Now she is cruising those streets of gold. There is rejoicing in heaven! She lived life to the fullest.
