“ It was such a great pleasure knowing Mary Ellen through our work relationship over the phone. She was such a great person to talk to and get things done. I will surely miss her. My deepest sympathy to her boys and co-workers in this time of sorrow.

“ Mary Ellen was a great customer service rep for Tenneco Ligonier. Over the years we had become friends from our many phone conversations. There were very few days thru the week that I did not talk to her. Even over the weekends when she was working, if she had an issue she would always call me. She was a great person and I will miss her dearly. I will miss you my friend!
