“ Thanks to everyone's thoughts and condolences. And thanks to everyone who visited us at the funeral home and / or sent us cards with memories of my Mother. All of you have made it a little bit easier. And thanks to so many of my Mother's friends in Middletown where she lived. People who worked at the local grocery, drug store, post office, car dealership, restaurants, bank, utilities, postman etc. helped her so much. And special thanks to my Mothers immediate neighbors friendship and helping hands. All the wonderful people of Middletown helped her so much to remain independant and safe. Small towns USA are great because of the wonderful people in them and Middletown, IN is a great example.

“ My deepest sympathies to your family. I have known Mary Ellen since I was a child. She was very good friends with my grandparents, Richard and Virginia Harrison. She would always stop to chat with me about our families. Most recently, I talked with her while she pulled weeds from her sidewalk. There she was, walker and all, doing at her age , what most people less than half her age never do!! God Bless to All. Tracy Harrison
