“ *Grandma was always there for us when we needed her. I will never be able to count the number of times that I went running to her as a child & as a teen & adult to get comfort when I needed it or even to get her to take a splinter out of my foot. Noone could take that splinter out like Grandma! Somehow, when she did it, it didn't hurt. Precious memories, how they linger! Grandma always had the time to talk, to listen, to feed us, to give advice & to pray for us or just give us her sweet smile. Good night Grandma, I'll see you in the morning!*
