“ I am blessed to have spent time with Matt fishing at Camp K last summer and autumn. I think he was using bubble gum and a shoe string. He smoked me and Patrick! AEG

“ There are so many memories but what I loved the most about Matt was how well he loved us. My kids were his kids and he loved them both in a very special way. It usually involved a joke and a pun, but that was perfect. We will miss Matt dearly but are so blessed to have been a part of his life. We love you Amy and Justin ❤️
