*To Matt's parents and Lea. Our condolences and we are completely shocked to read about Matt's death on Facebook. Sorry, but I read about Matt today the 8th. February 2023. Because, I haven't heard from him for a long time. Matt lived with us in Denmark and we have been in contact ever since. We were very happy with Matt. He wrote to me that he was happy with life. I can't understand it at all. We offer our condolences once again. Greetings from the Drachmann family Denmark*
