Matt had a sense of humor that could undoubtedly light up a whole room. Most importantly, Matt enjoyed spending time with his family. He especially loved hiking trails, painting rocks, and hunting for shells with his wife. They explored many state parks and went on countless adventures together.

“ Ash so sorry to hear of Matt's passing it was way too early. Doesnt seem that long ago when you guys first started dating. We had a lot of good times together and you guys were there for us through some rough times. Matt was a good man, fishing partner, & coworker. I always think about Matt & I fishing over at Loyds Landing. Those were some good times. Hang onto those good times and take care of yourself. Love you guys

“ You were the closest thing I ever had to a dad, the best uncle a girl could have ever asked for. I will ALWAYS remember how you used to carry me inside when I fell asleep in the car when I would spend the night at your house, you being the best coach and always including me and Brooklyn in everything the boys did, the way you used to cut the sleeves off your shirts and wear them on your head lol, how I thought you were the coolest when you would drive with your knee, and mostly the love that you had for my kids. I know you're up there fishing with my dad now, make sure you tell him all about Ryhatt for me! I love you uncle Matt !
