Max...my heart breaks reading this. I was just thinking about you, and I occasionally find myself doing. Reminiscing on the old times I had with you, Herb, the old crew. and the Anderson VFW Post #266. I miss all of you so much. You guys made my career in the military so much more pleasant, and without you and your wisdom, I never would have stayed in the service for 20+ years. I'm

I remember how much you loved your bluegrass music and all of the festivals you used to go to. I remember asking to go with you once, but we never did go.

I wish I knew of your passing. I would have provided military honors for you. I hope whomever did your service gave you the best honors, just like the old'n days when you guys, along with Flower and I honored so many other veterans.

You are missed, my friend. Fly high. I'll see you again one day, and dance with you and Herby!

To Max's family....I loved him dearly. He was a whipper snapper, but I loved that about him! Sweet and ornery! I'm sure you already know, but he was so loved, and it was a huge honor to work with him and honor so many veterans together.

“ Max was the best Dobro player around. My father inlaw Joe Branch loved to play country music with him at the Chesterfield open Mic every Friday night until Covid came along and closed down all of their fun times. Joe and my Tim are both gone now, but I'm sure they'll be there to greet him where there will be a great Bluegrass festival in Heaven. Love and miss you Max, you were a great guy!!
