“ PauPau taught me:
you can be in charge of the TV remote even if you are sleeping.
there is always time for good food and family.
how to fry eggs.
that MacGyver is a good show, and preferable to old westerns and
fishing shows.
that a big recliner is reserved, even if no one is in it.
snoring does not always mean you are asleep.
that "hey now" might sound gruff, but it often precedes a smile.
that "yellow" is a fine way to answer the phone.
that you don't have to use words to say "I love you".
