“ Dear Mike,I am sorry I never got a chance to tell this to you in person. You were such a great person.I appreciate everything you did for Ash and I and all that you taught me. You gave so much and were greatly loved by so many. You were a wonderful father and always provided for your family. You were a devoted father and never missed a week-end with Ashley or Sean. You were so proud of them.They are lucky to have been influenced by you.We had some really great times and many wonderful memories.The love and fun we had was unbelievable and maybe once in a life time.The differences we had seem miniscule.I am sorry for all the pain and heartache I caused you.I will take care of our little girl.I know you will be watching over her.I will never let her forget how awesome of a dad you were,how much you loved her,how hard you worked,how much you loved your music , and your love for God.Thanks for all the wonderful memories and for touching my life so deeply.I know you are in heaven walking with the angels.Please forgive me-until we meet again ,I will keep looking to the sky."Me"

“ Norman, Dortehea and Diana - we are so sorry for your loss of Mike. I have so many great memories growing up with Mike. All the sleep-overs, cruising in the '63 Mustang, going to REO Speedwagon and Aerosmith concerts along with Ronnie Fig. Working with Mike at McCrocklin Ford and Eakers Fruit Market. We had a blast! We were always together, having fun. Some of the best years of my life. Sending our love Rex and Sheila Anderson

“ I was Ashley's fifth grade teacher and an acquaintance of the Shelton family. Steve and I are so sorry of your loss. Ashley, losing a parent is devastating and much more than a young lady should have to face. I am praying for God to give you the inner strength and to place within your mind a peace beyond all understanding and give you a comfort beyond all imaginings. I send hugs of comfort to you and want you to know that my prayers will continue throughout this week for all of you. Please continue in Him as He carries you through this time. Our deepest regrets, Steve & Phyllis Keesling

“ Ashley, My heart breaks over your loss, and there really are no words to express how sorry I am that you're experiencing this. The loss of a parent is devastating at any age, but especially hard when you are young. My thoughts and prayers are with you, and if you ever need anything, please know I am here for you! Love, Sally
