“ My heart goes out to the Bloyd family along with sincere condolences and prayers. I never knew Michael very well although I had met him as a youngster on a few occasions when he was visiting with his parents and siblings at his mother's family homestead in Pennsylvania. I knew his mother Judy very well as we spent many summers together on the farms of her grandparent's and mine. (I had a horse that she loved to ride) May God Bless and provide comfort to all of you.
