“ I can't tell you the number of times Mike made me laugh and shake my head in the office. I was "his" nurse and friend. He was a hard headed and made me want to scream at times but equally made me laugh. I was blessed to have known him. Momma Gentry, you are in my thoughts and prayers daily.

“ More is probably the most eccentric friend I have. That's what makes him beautiful. His grandiose ideas are amazing. I'm sure heaven will be fortunate to have him. He's probably gonna be playing for God.

*I had talks with him during his struggle, but he always said I'll beat this. He is a fighter.*

*I have so many memories with him that it's hard to pick a favorite. We always make everything we do fun and full of life. My memory is that exactly.... he is full of life.*

“ ♡ The ecig story ♡ It was in 2012 we had met many years before that and lost touch until later in life , but we seen each other while I believe / recall setting up at the infusion center for treatments ..but anyways mike was in hospital as you can see and I called him and asked if he wanted anything ..whats mike say? I'd really love a cig I said ok I'll be up to see you see what I can do ..well I went up there YES WE BROKE THE RULE NO SMOKING , I go up there and, I had my ecig we shut the door and he got his cig fix , he was a happy camper after that , but this is how the ecig pic come into play ! I do know if it was me there he would do the same thing for me ..! Mike I'm gonna miss you and our talks but I'm gonna be waiting for you to greet me on other side 1 day .

His good friend shaun kocher was there on this day , and I am so blessed to have been mikes friend ..he fought that CANCER hard to every time it seemed to be hopeless he fought even harder ..I will never forget the memories that we made along the way...even if we did break the rules it was worth the happiness to him.. but I think that there should be no rules when it comes to what he went through except for the government to start treating people who are sick With the cure and if you spoke with mike and you knew him well that's way he spoke and felt about it to.. 🥹 RIP mike..

“ *Wish we could have jammed one last time and bringing down the house like the old days.  
RIP old friend
