“ Jackie, we are so sorry about Mike's death. We have great memories of you and Mike. Bob always joked around with Mike and Bruce. Sometimes you wondered if they were little boys instead of men. They had such good times together. God be with you and your family.

Dear Jackie, Lisa and Cory, Mother and Walter and I are saddened to hear of Mike's passing. He was such a sweet loving man and we will always have such fond memories. So often mother and I talk about Sunday nights in the summer when we would get donuts from Whitzels and sit outside and enjoy each other's company watching the fireflies. I pray God's peace and comfort to you all. May we always remember such happy times. God be with you. Love, Diana, Donna and Walter
