That was lovely... He will be missed.. I knew Mike! So many memories in a short time.. From drum lessons, to almost getting stuck in snow drifts in his old Jeep with Josh. He rented a house from my mom and gave it back in perfect, clean order.. he even wired my garage so every time I plug in I will touch his excellent work. He was proud of his kids, grandchildren and family! He touched so many including me and will never be forgotten. May his legacy live on throughout the family... I'm SO SORRY I Was not there.... RIP Mike, God speed...
