Mike is my 1st Cousin & we shared many memories growing up in a big family. Both good & bad. He was always there when a family member was in need or just going thru a hard time. We had a lot of fun times together too. Got into a few situations. He had my back more than once. An amazing person & truly a good human being. Kindness always in his heart & a smile on his face. He Always could make anyone smile. One of the best people I've ever known. With sadness in my heart & disbelief that God took such a good man from us all so soon; I'm sure God must have needed him badly to take him from so many that loved him so very much. We will miss you buddy💔 You will be forever in our hearts. Love you Cuz!💔
